Hi John,

Just checking to see if the AZR ISR report made it to you yet. Or did they get an additional time extension due to the corona restrictions?

Hope you're having a good day.

Dear Mr. Coop,

Due to restrictions on travel and the extra effort required to work remotely your request for an extension until May 26, 2020 to submit the Initial Site Review (ISR) Report is hereby granted.

Sincerely,

John E. Johnston

Subject: AZP Mooresboro ISR Report

Dear Mr. Johnston,

On behalf of AZP I am writing today to request a further extension of time to submit the draft ISR report. The company has been very helpful and cooperative in assisting us in collecting the information needed. However, restrictions on travel, delays in drafting from home and the large quantity of detail required have resulted in a need for more time. If you agree to an extension till May 26, we would be very appreciative. In that time, I will also probably make one more trip to the plant, if restrictions permit it.

Thank you

Phil Coop
